

# HUM-010 — New role of APOC representative from Ground Handling Agent

A new role of Ground Handler APOC representative will be created. This new role will be responsible for:

- coordinating with all other AOP stakeholders (Airport Operator, Airspace Users, ANSP, NM),
- coordinating with Ground Handler OC supervisor and with planning and allocation manager,
- participating to APOC common decision making process,
- maintaining and updating the AOP information regarding operation planning and constraints,
- ensuring consistency between AOP/APOC and Ground Handler local system
