

HUM-011 — New role of APOC representative from Airspace User

A new role of Airspace User APOC representative will be created for each airspace user. This new role will be responsible for:

- coordinating with all other AOP stakeholders (Airport Operator, Ground Handling Agent, ANSP, NM),
- coordinating with Airspace User slot manager and strategy and CDM manager,
- participating to APOC common decision making process,
- maintaining and updating the AOP information regarding flight status and planning,
- ensuring consistency between AOP/APOC and Airspace User local system
