

<b>Deployment Scenario Title</b>	Alternative position, navigation and timing (A-PNT)- short term
<b>Deployment Scenario Description</b>	Alternative position, navigation and timing (A-PNT): in the short term, this provides fallback capabilities in the event of GNSS unavailability, using an optimised DME navigation aids infrastructure as a backup.
<b>Essential Operational Change</b>	CNS Infrastructure and Services
<b>Maturity</b>	In development phase: Key Solutions Approaching Maturity

Applicable Operating Environment			
Airport	Terminal Airspace	En-Route	Network
